Referral Partner Agreement

4 Data Points Academy, Inc. · 3225 McLeod Drive, Suite 100, Las Vegas, NV 89121

This Referral Partner Agreement (the "Agreement") is between **4 Data Points Academy, Inc.** ("4DPA," "we," "us") and the individual named below (the "Referral Partner," "you"). It takes effect on the date you sign it.

1. What you'll do

You may introduce people to 4DPA's real estate investing mentorship programs and share your personal referral link. You are not required to refer anyone, and there is no minimum.

2. What earns a referral fee

Only enrollments in these mentorship programs earn a fee. Nothing else does, including Empire, retreats, workshops, books, assessments and deposits.

Program	Referral fee
Group Curriculum	10% of the program price paid
One-on-One Mentorship	5% of the program price paid
Jumpstart Business Premier	5% of the program price paid

The fee is based on what the enrolled student actually pays, not including taxes, processing fees or any deposit. If 4DPA changes its eligible programs or rates, the change applies only to referrals made after we tell you in writing.

3. How referrals are credited

- A referral counts when the person signs up through your personal link and then enrolls, using the same email address, within 30 days of signing up.
- If a person was already a 4DPA contact or student, or was referred by someone else first, 4DPA decides who gets credit, and its records are final.
- You can't refer yourself, members of your household, or a company you own or control.

4. Getting paid

- Before any fee can be paid, you must send 4DPA a completed IRS Form W-9 and sign this Agreement.
- Fees are paid to you as an individual only, never to a business, unless 4DPA agrees in writing.
- 4DPA pays the fee after the referred student's payment has cleared. For a program paid in installments, the fee is paid on each amount as it is actually received.
- If a payment is refunded, reversed or charged back, the fee on that amount is not owed, and any fee already paid on it may be deducted from future fees.

- You are responsible for your own taxes. 4DPA will issue a Form 1099 when required.

5. How you may promote 4DPA

- **Be honest.** Describe our programs accurately. Don't promise results, income, deals, financing or returns, and don't make up testimonials.
- **Say it's a referral.** When you share your link, make clear that you may earn a fee if someone enrolls (for example, "I may earn a referral fee if you join").
- **No spam.** Don't send unsolicited bulk texts or emails, use purchased lists, or auto-dial anyone. One-to-one messages to people you've interacted with are fine; stop contacting anyone who asks you to.
- **Don't speak for 4DPA.** You may not offer discounts, change prices, make commitments or give legal, tax or financial advice on 4DPA's behalf. Send questions to 4DPA.
- **Use our name carefully.** You may use 4DPA's name and the materials we give you only to promote our programs, and you may not run paid ads on 4DPA's name without written approval.

6. Relationship

You are an independent referral partner, not an employee, agent, ambassador or partner of 4DPA. Nothing in this Agreement creates a joint venture or employment relationship, and you don't receive benefits or reimbursed expenses.

7. Ending the Agreement

Either side may end this Agreement at any time with written notice (email is fine). Fees for students who enrolled before it ended are still paid under section 4. 4DPA may end the Agreement immediately, and withhold unpaid fees tied to the problem, if section 5 is broken.

8. General

This is the whole agreement between us about referrals and replaces any earlier discussion. Changes must be in writing. It is governed by the laws of the State of Nevada.
