YOUR LESSONS

The Student Portal and Library

All 4DPA material lives in one place. It's a library, not a course you have to finish in order: pick any topic and go straight to it.

How to get in

Go to **portal.4datapoints.com**, or click the **Student Portal** button at the top of our new website, **4datapoints.com**.

Sign in with the email you enrolled with. First time, or forgot your password? Use **Forgot password** on the login screen.

Scan to open the Student Portal

What's inside

Section	What you'll find
Four Data Points Academy Student Library	Every 4DPA lesson by topic: deal analysis, fix & flip / BRRRR, buy & hold, multifamily, creative financing and more, with downloadable handouts (English and Spanish).
Video Library	Recordings of our live classes, so you can catch up or rewatch.
Multifamily Commercial Real Estate course	The full multifamily commercial course, included with your mentorship.

YOUR TOOLS

The 4DPA App

The portal is your library. The app is your toolbox. Use both.

- Join live classes and watch class replays
- The Four Data Points Calculator and investor tools
- Digital Field Manuals (Residential and Multifamily)
- **Ask for Support** sends a message straight to our team

Download it for iPhone or Android at **forms.4datapoints.com/app**.

Printed Field Manual: every mentorship student gets a hard copy of the Residential edition by mail. Email info@4datapoints.com your mailing address.

GETTING HELP

How to reach Odis and the team

Every student gets support. How you reach Odis directly depends on your program.

Email
info@4datapoints.com

Text
702-710-8030

You can also message us from the app with **Ask for Support**. Messages go to our team, and we'll respond shortly.

	Group Curriculum	One-on-One Mentorship	Jumpstart Business Premier
Email and text	Yes, through our team	Yes, **prioritized** to Odis	Yes, **prioritized** to Odis
Live class help	Yes. Bring your questions to evening class	Yes	Yes
Phone time with Odis	Not included	**Yes. Text Odis and he'll call you back**	**Yes. Text Odis and he'll call you back**
Business build-out	Not included	Not included	**Yes. Business mapping, systems and a 90-day blueprint**

Group Curriculum students: the best place to get help is live class, Monday through Thursday at 5 PM Pacific. Bring your deal, your numbers and your questions. For anything else, email or text and our team will get back to you.

Tips for faster help

- Include your full name and the email you enrolled with.
- For a deal question, send the address and your 4 Data Points (page 5).
- One-on-One and Jumpstart students: start your text with your name so Odis can prioritize it.

YOUR PROGRAM

What's included, and where you can go next

Every program has no end date. Your access and support continue as long as you're a student.

READY FOR MORE?

Most of our biggest student wins come from One-on-One. If you want Odis working directly with you on your deals, or you want your business mapped and built out with Jumpstart Business Premier, email info@4datapoints.com or text 702-710-8030 with the word **UPGRADE**, or ask us after class. Spots are limited each month.

WHERE WE START

The 4 Data Points

Our new curriculum starts again with the 4 Data Points. Every deal we evaluate comes back to these four numbers.

1	2	3	4
Cost to buy	**Cost to rehab**	**After-repair value**	**Income potential**

Run your numbers with the Four Data Points Calculator in the app, and bring them to class.

ONE-ON-ONE AND JUMPSTART BUSINESS PREMIER

Real Estate Intake RECOMMENDED

For One-on-One and Jumpstart Business Premier students. It tells Odis where you are today (your deals, properties, capital, team and goals) so your time together goes straight to what matters. Jumpstart students will also see a few questions about their business.

Open the Real Estate Intake:

link.4datapoints.com/widget/form/Zg9c8uQ6cCyr3T23cfOx

About 15 minutes. You can upload proof of funds, a property list or a deal you want reviewed.

JUMPSTART BUSINESS PREMIER

Business Intake Questionnaire OPTIONAL

For Jumpstart Business Premier students who want to go deeper on their business. It's the same intake our Empire clients complete, and it helps us develop your business idea and plan. It's optional, but the more we know, the more we can help.

Open the Business Intake:

link.4datapoints.com/widget/form/WMIxvqieTYjP0DmrRs1h

Set aside about 20 minutes. Answer what you can; we'll go over the rest together.

Scan to open the Business Intake

Group Curriculum students: no intake needed. Bring your questions and your deals to live class. If you'd like Odis working with you one-on-one, text or email us the word **UPGRADE** (page 5).

GOOD TO KNOW

A few policies

- **All sales are final.** We don't offer refunds, but if something isn't working, tell us and we'll work with you to resolve it.
- **Results aren't guaranteed.** This is an educational program. Real estate investing involves risk, including loss of money, and your results depend on your own work and decisions.
- **Respect the room.** Be on time, keep the class link private, and help each other out.
- Full terms: **4datapoints.com/terms-of-service** and **4datapoints.com/refund-policy**

We're glad you're here. See you in class.
